"...these lights shine in honor of those we love."

HOSPICE
SLO COUNTY
A Volunteer Hospice

ABOUT HOSPICE SLO COUNTY

Hospice of San Luis Obispo County (Hospice SLO County) is a 501 c3 nonprofit, non-medical volunteer hospice and has been serving individuals and families county-wide for 41 years. Hospice SLO County provides thousands of hours of FREE services each year through the heart and work of a small staff and over 200 professionally trained volunteers. All services including in-home respite care, individual and

family grief counseling, grief support groups, workshops and trainings for professionals and the community, End-of-Life doulas, Threshold Singers, Pet Peace of Mind and community response support for local businesses and schools are provided without charge. Fundraising support to the organization is generated solely from direct donations, bequests, local grants, businesses sponsorships and fundraising events like Light Up a Life. All funds remain local.

For 35 Years, Hospice SLO County's Light Up A Life season has offered special ceremonies at locations throughout San Luis Obispo County for remembrance of loved ones who are no longer present but certainly not forgotten. The lantern symbolizes light as we are guided through life's darker times and illumination of love and remembrance.

Throughout the year, all Hospice SLO County services provided are without charge to clients, their families or third party payors. However, they are not without cost to provide. We rely on the financial support of individuals and businesses in the community and your gift is extremely important to continuing our 41 year mission of providing an additional layer of support and a safety net for families facing a life limiting illness, in-home respite care regardless of treatment choices, end of life education and support, and grieving a death regardless of when, how or where it occurred.
